

# MCC APPRENTICESHIPS

*For every dollar spent on an apprentice, employers see an average \$1.47 in increased productivity.*

*- Department of Labor Office of Apprenticeships, 2017*

## BENEFITS FOR ALL

The MCC Apprenticeship program combines practical training and broader education. This U.S. Department of Labor Registered Apprenticeship is a fully customizable program that allows students an opportunity to learn and earn while giving businesses the opportunity to grow their own talent and increase employee retention.

- Allows workers to receive a college education while being paid
- Supports businesses skilled workforce pipeline needs
- Reduces turnover costs & increases employee retention

**METROPOLITAN**  
COMMUNITY COLLEGE

## PIPELINE OPPORTUNITIES

Apprenticeships provide immediate training and long-term growth planning. The pipeline can include training your own or MCC's career technical education, continuing education, and corporate college programs which can be easily adapted for a wide range of diversity based programming, industries, and economic development initiatives. MCC is also working on connecting young people to Youth Apprenticeships for a chance to earn and learn with guaranteed job placement.
